LETTER TO EXAMINER

Applicants would like to point out that a Change of Name of assignee, from Indigo N.V. to Hewlett-Packard Indigo B.V., was filed on April 8, 2003. Although the recordation of the name change has not yet been received, applicants are using the correct name of the assignee on the Part B – Fee(s) Transmittal. Applicants look forward to receiving the reel/frame number of the recording of the Change of Name in due course.

Additionally, applicants wish to point out that the Notice of Allowability dated October 13, 2004 for the above-referenced application erroneously acknowledges a claim for foreign priority as well as receipt of the certified copies in this national stage application from the International Bureau.

Applicants would like to clarify that although this application is a national phase application, it does not claim either foreign or domestic priority.

Respectfully submitted,
Gideon AMIR et al
